

# Bliss Chronic Care Management

## Are Chronic Care Patients Overwhelming Your Practice?

### THE ISSUES YOU FACE

- ✓ Endless off-hours engagements
- ✓ Never-ending requests for meds, labs and authorizations
- ✓ Frequent status reporting
- ✓ Repetitive patient and family queries
- ✓ Constant referrals and ongoing care coordination

### THE CONSEQUENCES

- ✓ Waiting patients
- ✓ Non-optimal clinical outcomes
- ✓ Reduced staff time for other clinical and office needs
- ✓ Overwhelmed team
- ✓ More staff with more work, Increased costs, Lower profits
